

Your Community Alerts is Gloucestershire Constabulary's new, free messaging system that enables residents, businesses and community groups to participate in a two-way exchange of information about what is happening throughout the county. Whether you live in Gloucester, Cheltenham, Tewkesbury, Stroud, the Forest of Dean or the Cotswolds you can receive up-to-date messaging about incidents that may affect you.

Don't worry, we won't bombard you with every incident. You can choose exactly the type of alert you wish to receive. For example, you can help tackle crime by registering for witness appeals or keep ahead of those traffic jams by registering for road closure alerts. The aim is to send relevant information which is chosen by you and together we can make a greater impact on the prevention and detection of crime and anti-social behaviour in our communities.

The service is entirely free and you can receive the messages in a way that suits you. You may subscribe to alerts via text, an alert through the mobile app, a text or a voicemail. The choice is in your hands.

To download the app visit the Apple store or Google Play store and search 'Neighbourhood Alerts'

For more information, please visit the below web address and register your interest.
